

Message from the Director General

I convey my warm greetings and best wishes to the CISF family on the auspicious occasion of Deepavali.

Deepavali, **'the festival of lights'**, is a symbol of victory of good over evil, light over darkness, and knowledge over ignorance. This festival also represents wealth and prosperity. Its auspiciousness extends to the development and growth of our larger family, i.e., India. We, the members of the Force, too can contribute positively by providing a safe and secure environment at the places guarded by us.

May this festival of lights illuminate the lives of all CISF officers, men and their family members.

Jai Hind!

(O P Singh)
Director General
