Visakhapatnam 2025 World Police and Fire Games CISF shines, wins 64 medals The Central Industrial Security Force (CISF) made the country proud with an extraordinary performance at the 2025 World Police and Fire Games held at Birmingham Farm, USA from June 30 to July 6. The prestigious international event saw the participation of 10,000 police and fire service personnel from over 70 countries, including the world's best.

More than 1000 athletes participated. The success of CISF athletes played a major role in India finishing third in the overall medal tally at the 2025 World Police and Fire Games. The country won a total of 560 medals. In wrestling, CISF personnel from Haryana stood out by winning all the gold medals in this category. The champions included Sunny Kumar, Ajay Dagar, Harish, Mohit and Abhimanyu. Lady Assistant Sub-Inspector Reenu gave an extraordinary performance in athletics. She won gold medals in the 10 km cross-country, 5,000 meters, 10,000 meters, half marathon and team half marathosn events. She also won silver in the 1,500 meters race. The athletes representing CISF come from different parts of the country. This reflects the strength and unity of the force across India. As a Central Armed Police Force, CAPF continues to promote physical fitness, discipline and sportsmanship among its personnel. Their achievements in international events highlight the team's resilience and resilience. The World Police and Fire Games is one of the largest international sporting events for police and fire services personnel. This year, over 10,000 athletes representing over 70 countries participated in it.
