Subject: Implementation of Public Procurement (Preference to Make in India) Order, 2017- action taken report on CoS recommendations taken during meeting held on 21.02.2020 and 05.06.2020.

Reference is invited to PM Division's OM of even No. 627 dated 15/09/2020 vide which it was intimated that direction for uploading procurement projections for three years (i.e. 2020-21 to 2022-23) for high value goods and commonly procured goods on the website of Ministry would be issued separately.

2. Now, it has been decided with the approval of competent authority that the procurement plan of CAPFs may be uploaded on MHA/CAPF concerned website after excluding sensitive items from the list. Accordingly, a list of such items along with their quantities (wherever provided by the CAPF) has been prepared for all CAPFs separately after excluding sensitive items from their procurement plan for three years (2020-21 to 2022-23).

3. In view of the above, all CAPFs are requested to upload the attached procurement plan on their website. Further, after uploading on organization's website, the weblink may be shared to enable this Division to furnish the same with the Department for Promotion of Industry and Internal Trade.
