Respected Sir/Madam,

This is with respect to the trailing email received from DBT Mission regarding opening of NSP portal for receiving scholarship applications from the students.

NSP had launched the new Home Page and "One Time Registration" (OTR) application (web version and mobile app both) earlier this month.

In line with instructions from DBT Mission, Cabinet Secretariat, and associated Ministries/Departments, NSP was also engaged in enhancing the "Scholarship Application Form". The updated form incorporates various checks and balances, simplifying the scholarship application process for students. This new form utilizes cutting-edge technologies like material and angular frameworks, ensuring a sleek and user-friendly experience across different devices.

Today, NSP has opened/launched the Portal to receive scholarship applications under the CS schemes from students for the academic year 2024-25. NSP extends its gratitude to DBT Mission, Ministries/Departments, and MeitY for their diligent review of the portal, ongoing support, and guidance which have been crucial in completing this daunting task successfully and within the set time.

Regards,
NIC NSP PMU
