

DIRECTORATE GENERAL
CENTRAL INDUSTRIAL SECURITY FORCE
(MINISTRY OF HOME AFFAIRS)

13, CGO Complex
Lodhi Road, New Delhi.

No. V-12013(04)/01/Vig/30/2012- 17
To

Dated 05 Feb., 2014.

The ADG/APS,
All Sector IsG ,CISF including APS & TS.

Subject Electrical meters in accommodations allotted to CISF personnel: Reg.

It is brought to the notice of this Directorate that in the field Units, defective electric meters are being used by the Unit personnel in the accommodations provided by the PSUs/Bn for a longer period. In the Units/Battalions the Quarter Masters, who are responsible for maintenance /monitoring of the same, are not paying heed to the issue and the individual users are also deliberately not reporting the matter to concerned authorities for personal gain. In such cases, the individual users simply found to have been allowed to pay minimal charges/penal rent etc, which is amounting to huge loss to Unit administration as well as to Government treasury. Moreover, such practices are neither ethically appropriate nor desirable.

02. The aforesaid matter has been examined at this Directorate and it is decided that :

- I. Unit administration shall ensure that henceforth, such practices should be stopped immediately.
- II. Incharge/Quarter Master Store of the Unit shall ensure that the electric meter is in working condition while handing over the Quarters.
- III. Electric charges should be received from the users as per actual meter readings not on flat rate.

Contd...P/2

IV. Flat rate fixed shall not be collected from the users for a longer period of time without proper approval of Unit Commander concerned.

3. The above instructions shall be adhered to strictly.
4. This issues with the approval of DG CISF.

3/2/14
(S.B. SINGH)
**INSPECTOR GENERAL (HQ)
AND CHIEF VIGILANCE OFFICER**

Distribution
