

CENTRAL INDUSTRIAL SECURITY FORCE

CITIZEN'S CHARTER

INTRODUCTION:-

We are one of the specialized Central Para-military Forces of India under Ministry of Home Affairs. We came into existence in the year 1969 with a meagre strength of about 3000 men for providing security to Public Sector Undertakings (PSUs) and Government Installations. Today we have grown up to a strength of about 1, 44,141 officers and men and taken up a multi faceted role in the field of internal security which includes Airport Security, Security of Government Building, Monument Security, Disaster Management, VIP Security and security of critical installations like Delhi Metro in addition to our traditional role of providing industrial security. Currently we are providing security to 330 units including 59 domestic and international airports spread all over the country.

We also have a Fire Wing which looks after the fire protection and fire prevention services of 94 units with a strength of about 7011 well trained man power.

Hitherto our services were only available to Government Organisations and PSUs but by amendment in CISF Act the Government of India has permitted us to offer Consultancy Services in the field of Security and Fire Protection to public as well as private sector. Accordingly we have a Consultancy Wing located at our Force Head Quarters, which is ISO 9001: 2000 certified and offers its Consultancy Services to both the Government and the Non Government Organizations.

Our Head Quarter is located at 13, CGO Complex, Lodhi Road, New Delhi and is headed by Director General. We are further organised into seven sectors headed by Sector Inspectors General as per details given below:

Eastern Sector	: Head Quarter at Patna
Northern Sector	: Head Quarter at New Delhi
Western Sector	: Head Quarter at Mumbai
Southern Sector	: Head Quarter at Chennai
North Eastern Sector	: Head Quarter at Kolkata
Airport Sector	: Head Quarter at New Delhi
Training Sector	: Head Quarter at Hyderabad

We are further divided into 11 Zones headed by Deputy Inspectors General to supervise our field units.

We have seven (07) Training institutions in our fold i.e. National Industrial Security Academy (NISA) at Hyderabad (Telangana) and six Recruit Training Centres at Arakonam (Tamilnadu), Barwaha (Madhya Pradesh), Bhilai (Madhya Pradesh), Deolii (Rajasthan), Behror (Rajasthan) & Mundali (Orissa) to look after our needs of providing a well trained and qualified manpower for our services.

We have one Fire Service Training Institute (FSTI) co-located at Hyderabad with NISA. This Training Institute also specializes in training on Disaster Management and houses state of the art training facility on Disaster Management.

We have 10 Reserve Battalions, as per **Appendix – A**, to cater for our urgent need of trained manpower.

This citizen's charter is our effort to improve our responsiveness to the needs of our stakeholders and citizens and to continuously improve our services as per their expectation.

(Here a link is to be provided for all Sector Head Quarters, Zonal Head Quarters, Group Head Quarters, CISF Units, Training Institutes, Reserve Battalions along with their addresses, Contact Telephone Numbers and e-mail ids.)- Enclosed as per "Appendix-B"
